## Sponsorship Opportunities

Dear Friends,

The Loisann's Hope House staff, Board of Directors, and Trees of Hope committee invite you to participate as a sponsor in this year's Trees of Hope events to be held at Gari Melchers Home and Studio at Belmont. There are many opportunities for you to promote your business while also helping homeless children and families in our community. A sponsorship is one of the best ways to get your name connected with this popular and highly respected event that draws hundreds of local residents.

Similarly — or in addition — you can choose to decorate and donate a tree. What a great way, at little expense, to utilize your creativity — or that of your staff — and enhance our event! Loisann's Hope House will provide a free three-foot tree, which you will then return to us in November fully decorated. The sky's the limit with what you can do! If you are interested, please visit [hopehouseva.org](http://hopehouseva.org) for details.

We're looking forward to your sponsorship support and active engagement in the Trees of Hope events, which will take place November 17-19.

The children and families of Loisann's Hope House are forever grateful for your help in providing shelter and hope for the future.

Sincerely,

Anna Billingsley  
Chair, Loisann's Hope House  
Board of Directors
