

Trees of Hope

to benefit Loisann's Hope House

Tree Decorating Guidelines

- For uniformity and consistency, use only trees provided by Loisann's Hope House. However, be as creative as you would like with that tree.
- No food or perishable items, please.
- All trees must include lights, preferably electric.
- If your tree lights are battery-powered, please ensure that the batteries are new and the on/off switch is clearly marked.
- We are happy for you to include gift certificates or gift cards with your tree; just note this on your tree delivery registration form.
- Decorators should also feel free to describe anything special about their tree that potential buyers should know, i.e. hand-crafted ornaments or if there is a special story behind your creation.
